[redacted] Met with Miss Marge Anderson, in the office of Congressman Ogden Reid (R., N. Y.), and advised her that we would tentatively accept the invitation to meet with a group of 30 students from Good Counsel College. See Journal of 5 June 1967. I requested a hold-down on publicity concerning this and Miss Anderson agreed.

[redacted] Met with Congressman Donald E. Lukens (R., Ohio) concerning questions he had directed to the Director with respect to the National Student Association to determine if our response to date had satisfied his requirements. Lukens still has some questions regarding CIA participation and he agreed that possibly it might be helpful if we could get him together with our people and asked if I would work on something along this line the week of 19 June. See Memorandum for the Record.

[redacted] met with David Carper, Legislative Counsel of the House of Representatives. Mr. Carper is the principal assistant assigned to the House Committee on Post Office and Civil Service. Mr. Carper was briefed on Agency interest in the current Social Security amendments and follow on legislation that will be proposed by Civil Service for consideration of the Committee later in the year. Mr. Carper appreciated the advance information and will keep us advised at such time as they start to work on the legislation.
